the first time helen curry walked a labyrinth she was moved to tears and then was filled with peace and possibilities here she shares her years of experience with labyrinth meditation and shows how others can find serenity and guidance by adopting this increasingly popular practice unlike mazes which force choices and can create fear and confusion labyrinths are designed to embrace and guide individuals through a calming meditative walk on a single circular path the way of the labyrinth includes meditations prayers questions for enhancing labyrinth walks guidelines for ceremonies instructions for finger meditations and extensive resources this enchanting practical and exquisitely packaged guide

helps both novice and experienced readers enjoy the benefits of labyrinth meditation from problem solving to stress reduction to personal transformation includes a foreword by jean houston the renowned author and leader in the field of humanistic psychology who is considered the grandmother of the current labyrinth revival

deep into the labyrinths in the novels by louise welsh is the first book to focus on the novels of louise welsh one of the most acclaimed and interesting narrative voices in contemporary scottish literature it explores the use of the image of the labyrinth as one of the sites for horror in classic gothic literature and its rewriting into a contemporary gothic labyrinth in 21st century scotland and by extension in the european context that co exists with various other queer and intertextual labyrinths that complement and complicate it this book analyses how louise welsh s novels present different labyrinths that characters traverse and get lost in and by the same process with which readers also become engaged in both cases characters and readers discover that the labyrinthine understanding of reality becomes more real than any other official version of reality each chapter of the book explores particular examples of these labyrinths even though they are not linear they tend to intermingle and intertwine

labyrinths and labyrinthine borders have been around for a very long time in fact they have been used outside of formal religion as a ritual object to express spiritual values for at least 3500 years in countries all over the world including china india the holy land ireland southern europe scandinavia pre columbian america and england they can be found at neolithic and sardinian and hopi rock art sites in hindu temples and taoist shrines bordering minoan frescoes and in roman mosaics they have been incorporated into roman catholic and episcopal cathedrals protestant churches and in new age retreat centres they have been carved into rocks turf and wood engraved in metal laid out in stones woven in reeds set in tiles painted and drawn in other words the labyrinth is a nearly universal form and comes as close as we can to an archetype an archetype is a symbol that appeals to us at an unconscious level we don t have to struggle with its meaning intellectually its symbolic meaning is somehow ingrained in us part of our very nature as a result it may appeal to us without our even understanding why it is always risky to talk about the meaning of such an archetypal symbol we know that it must carry a wealth of meaning to appeal to so many different sorts of people over such a long stretch of time but we can tentatively explore some of its meanings if we stay aware that we can never really plumb all of its riches

around the world a growing number of people are working with the labyrinth an ancient artefact which is fulfilling a renewed role in today s world this book offers ideas and examples of labyrinths in use in various situations arts community and social settings schools colleges and universities a hospice and a secure hospital counselling psychotherapy and well being churches retreats and interfaith contexts

the battle of reichenfels has been fought and lost the army is in flight the enemy is expected to arrive in town at any moment a soldier carrying a parcel under his arm is wandering through an unknown town all the streets look the same and he cannot remember the name of one where he was

supposed to meet the man who had agreed to take the parcel but he must deliver the parcel or at least get rid of it a brilliant work from one of the finest exponents of the nouveau roman in the labyrinth showcases an inventive hypnotic style which creates an uncanny atmosphere of déjà vu yet undermines the reader's expectations at every turn

a monthly journal on diseases of the ear nose throat

a user friendly introduction to the history uses and lure of the labyrinth this innovative book is filled with information for newcomers to the labyrinth and provides guidance on how to make commission or improvise a labyrinth including for use in the home includes an extensive guide to online and other resources
